### Foundation Details/Calculations:

Foundation (concrete) to be formed, to be three (3) to four (4) inches above the ground, and to be poured to minimum depth of thirty (30) inches below ground.

**Foundation is required to be 6" longer and 6" wider than the overall size of the base of the monument allowing for a 3" boarder on all sides.** (See example below)

Overall size of foundation would be 54" x 18"

**Exception:** For Military Ground Level Markers, no extra perimeter is required outside the actual size of the marker for the foundation base

### Pricing Example Regular pour date May and September:

**\$.65 per square surface inch or \$250 minimum charge, whichever is greater.**

*Example:*

If size of foundation is 54" x 18" price would be  $54 \times 18 = 972$ ,  $972 \times \$0.65 = \$631.80$

*If a pour date is requested other than May or September, the following rates apply, and the special pour request must have approval of the Cemetery Sexton.*

### Pricing Example for special request pour dates:

**\$.90 per square surface inch or \$750.00 minimum charge, whichever is greater.**

*Example:*

If size of foundation is 54" x 18" price would be  $54 \times 18 = 972$ ,  $972 \times \$0.90 = \$874.80$
