RE: Camping World

Dear Matt,

The BST&G Joint Fire District is the primary provider of Fire Suppression, Rescue Services, EMS First Response, and Fire Prevention for the properties involved in this concept, and has the ability to provide said services for this project.

If plans for development continue, please visit www.bstgfire.org for the proper submission requirements for the plan review process

If you have further questions or concerns, please contact me or Fire Inspector Rocki Huddleston at (740) 965-3841.

Respectfully,

Rocki Huddleston, Fire Inspector
