OUR FASCINATING FAITH

The Sacred Paschal Triduum

Christians observe Easter on the first Sunday after the first full moon that follows the vernal equinox. For Christians, Easter is the anniversary of the creation of the world.

Did you know that the full moon rises just as the sun sets? And that it sets when the sun rises? On the night of a full moon there is no moment of the night when the moon isn't shining. Christians think that this phenomenon makes a wonderful image of heaven's perpetual light. Easter is our sacramental entrance into the light of Christ, the light of eternity.

The Sacred Paschal Triduum, the three-day Passover of the Lord, is our Easter festival. It begins on Holy Thursday at sunset. We count the days in the Jewish manner, from sunset to sunset. In this way the Triduum begins on the biblical "sixth day of the week," the day God created human beings. Its middle day is the "seventh day of the week," the Sabbath, the day of rest. And its final day is the "first day of the week," the day God began the work of creation by creating light and separating it from darkness. God the Father chose a "first day" to raise his Son from the dead. God the Spirit gave birth to the Church on a "first day" as well, the day of Pentecost.

Thank you!

Pontifical Good Friday Collection for the Holy Land. A second collection will be taken up on Good Friday, April 7, in support of the Pontifical Collection for the Holy Land. This collection, in the words of Paul VI is "not only for the Holy Places but above all for those pastoral, charitable, educational, and social works which the Church supports in the Holy Land for the welfare of their Christian brethren and of the local communities." You generosity also assists those such as the Franciscans who have been in the Holy Land since 1209 caring for the poor, protecting the Holy shrines, and keeping the light of Christianity alive.

Stewardship is an important concept for our spiritual growth as Catholics. It is a way of thanking God for all His blessings by returning to Him a portion of the time, talent and treasures we have received.

NUESTRA FASCINANTE FE

El Sagrado Triduo Pascual

Los cristianos celebran la Pascua el primer domingo después de la primera luna llena que sigue al equinoccio de primavera. Para los cristianos, la Pascua es el aniversario de la creación del mundo.

¿Sabías que la luna llena sale justo cuando se pone el sol? ¿Y que se pone cuando sale el sol? En la noche de luna llena no hay ningún momento de la noche en que la luna no brille. Los cristianos piensan que este fenómeno constituye una maravillosa imagen de la luz perpetua del cielo. La Pascua es nuestra entrada sacramental en la luz de Cristo, la luz de la eternidad.

El Triduo Pascual Sagrado, la Pascua del Señor de tres días, es nuestra fiesta de Pascua. Comienza el Jueves Santo al atardecer. Contamos los días a la manera judía, de sol a sol. De este modo, el Triduo comienza en el "sexto día de la semana" bíblico, el día en que Dios creó a los seres humanos. Su día central es el "séptimo día de la semana", el sábado, el día de descanso. Y su último día es el "primer día de la semana", el día en que Dios comenzó la obra de la creación creando la luz y separándola de las tinieblas. Dios Padre eligió un "primer día" para resucitar a su Hijo de entre los muertos. Dios Espíritu dio a luz a la Iglesia también en un "primer día", el día de Pentecostés.
