

Mass Intention Policy Update

In order to facilitate and accommodate a fair distribution of Mass intentions requested by the faithful, Holy Cross has updated the Mass intention policy as of March 1, 2026. Each month, a parishioner is permitted to request 2 Mass intentions *of whatever date*, and then come back the next month to request 2 more Mass intentions *of whatever date*, then so forth and so on. This policy allows for more availability of dates in the near future to get a Mass intention on the calendar sooner. Furthermore, some dates will be reserved each month so that parishioners can request particularly urgent Mass intentions.
