

Do you know a teen or young adult between the ages of 13 to 25? Is this young person currently or formerly Catholic?

He or she may qualify for a paid opportunity this summer through our friends at Springtide Research Institute!

Springtide Research Institute, a nonpartisan, nonprofit organization, is currently conducting a research study on current or former Catholic young people, ages 13 to 25.

They've surveyed nearly 1,000 young people from across the country so far and are now recruiting participants for the interview portion of the study. It's an opportunity for young people to voice their feelings about their faith identity.

If you know someone who is qualified and may be interested, please share the following link with them: <https://survey.alchemer.com/s3/8228133/Springtide-Catholics-Study>

Interviews last about an hour. Springtide offers a \$50 digital gift card as a thank you. Teens under 18 must get parental permission to participate.

If you have any questions, please reach out to Springtide's Senior Research Associate, Dr. Nabil Tueme, at nabil@springtideresearch.org. Thank you for your help!
