

Classes

Tuition is based on a 48-week annual schedule. Some months may include five weeks of Sclasses while others may include three weeks; however, when averaged over the 48-week year, tuition is based on four classes per month. This schedule also allows the gym to observe certain holidays without requiring make-up classes.

Students may enroll at any time. If enrollment occurs after the beginning of the month, tuition will be prorated.

A 10% sibling discount is available for all recreational gymnastics and tumbling classes. This discount does not apply to Developmental (Pre-Team) or Team programs.

Class Cancellations

We require a **30-day notice** to cancel enrollment in any class. Cancellation requests must be submitted through the Parent Portal in iClassPro. Cancellations submitted by email, phone, or at the front desk will not be accepted.

Tuition will continue to be billed during the 30-day notice period, regardless of attendance. Once tuition has been processed, payments are non-refundable and non-transferable.

Payment

Monthly tuition is due on the **1st of each month**. Families enrolled in AutoPay will have the payment method on file charged on the 1st.

Accounts with an outstanding balance after the **7th of the month** will incur a **\$25 late fee**. If payment has not been received by the **15th of the month**, Wright Gymnastics Center reserves the right to remove the student's enrollment from their class until the account is brought current.

A **one-time, non-refundable registration fee of \$75 per family** is due upon the family's initial enrollment.

Attendance & Make-Up Classes

When you enroll in a class, you are reserving a spot in that class—not paying for individual attendance.

If your child will miss a class, please report the absence through the Parent Portal or mobile app **at least three (3) hours before** the scheduled class time. A make-up token will automatically be generated after the missed class has concluded.

Make-up classes are offered as a courtesy and are **not guaranteed**. We will make every effort to schedule a make-up based on class availability and space within your child's current level.

Families may request make-up classes through the Parent Portal or app using their available make-up tokens.

- Students must be actively enrolled to redeem make-up classes.
- A maximum of **two (2) make-up classes** may be earned per month.
- Make-up tokens expire **12 months** from the date they are issued.
- Make-up classes are **not available** for Team Gymnastics athletes.

Parent Observation

We welcome family members to remain and watch their child's class from our designated viewing area.

Please remain with your child until they are invited onto the gym floor by their coach and meet them promptly in the lobby when class concludes.

For the safety and success of all students:

- Please refrain from coaching or communicating with your child during class, as this can be distracting.
 - Children who are not participating in class must remain under the direct supervision of their parent or guardian.
 - If you choose not to stay during class, you must come inside the building to pick up your child.
 - Students will only be released to a responsible adult and may not leave the building unattended.
-

Advancing Levels

Students advance to the next level after successfully demonstrating mastery of the required skills for their current level.

Our coaches continuously evaluate each gymnast's progress to ensure they have developed the strength, confidence, and consistency necessary to advance safely.

When your child is ready to move up, a coach or staff member will notify you. If you have any questions regarding your child's progress, we encourage you to speak with their coach or contact us by email.

Our goal is to provide every gymnast with a fun, positive, and challenging environment where they can build confidence, develop new skills, and foster a lifelong love of gymnastics.
