

NEURO REHAB SYMPOSIUM

March 31, 2023 | 7:30 a.m. – 5 p.m.

Walters Auditorium | 743 Spring Street NE, Gainesville, GA 30501

Join us for the one-day Neuro Rehab Symposium featuring educational presentations on neurological rehabilitation after stroke.

Topics will cover stroke specific impairment priorities in each phase of rehabilitation.

Designed specifically for therapists who care for patients and families in all phases of stroke rehabilitation.

CEU certificates will be awarded upon completion of the seminar.

Register online, see the agenda
