

life after stroke

Support Group

Who: Stroke Survivors and Caregivers

What: A monthly event intended to empower stroke survivors and caregivers to lead a satisfying and active life.

- Exchanging information, stories, ideas and potential solutions to common challenges
- Talking through the tough times and discussing coping mechanisms
- Learning about secondary stroke prevention, home modifications, local resources, etc. from caring professionals

When: 4:30 p.m. every third Tuesday of the month

Where: Regain Outpatient Neurological Rehabilitation
597 South Enota Drive NE, Gainesville, GA 30501
