Your Child at 4 Years

Child's Name Child's Age Today's Date

How your child plays, learns, speaks, acts, and moves offers important clues about your child's development. Developmental milestones are things most children can do by a certain age.

Check the milestones your child has reached by his or her 4th birthday. Take this with you and talk with your child's doctor at every visit about the milestones your child has reached and what to expect next.

What Most Children Do at this Age:

Social/Emotional

- □ Enjoys doing new things
- ☐ Plays "Mom" and "Dad"
- ☐ Is more and more creative with make-believe play
- ☐ Would rather play with other children than by himself
- Cooperates with other children
- ☐ Often can't tell what's real and what's make-believe
- ☐ Talks about what she likes and what she is interested in

Language/Communication

- ☐ Knows some basic rules of grammar, such as correctly using "he" and "she"
- ☐ Sings a song or says a poem from memory such as the "Itsy Bitsy Spider" or the "Wheels on the Bus"
- ☐ Tells stories
- ☐ Can say first and last name

Cognitive (learning, thinking, problem-solving)

- Names some colors and some numbers
- Understands the idea of counting
- Starts to understand time
- □ Remembers parts of a story
- ☐ Understands the idea of "same" and "different"
- ☐ Draws a person with 2 to 4 body parts
- Uses scissors
- ☐ Starts to copy some capital letters
- Plays board or card games
- ☐ Tells you what he thinks is going to happen next in a book

Movement/Physical Development

- ☐ Hops and stands on one foot up to 2 seconds
- ☐ Catches a bounced ball most of the time
- Pours, cuts with supervision, and mashes own food

Act Early by Talking to Your Child:

- Can't jump in place
- Has trouble scribbling
- ☐ Shows no interest in interactive games or make-believe
- ☐ Ignores other children or doesn't respond to people outside the family
- ☐ Resists dressing, sleeping, and using the toilet
- ☐ Can't retell a favorite story
- Doesn't follow 3-part commands
- Doesn't understand "same" and "different"
- Doesn't use "me" and "you" correctly
- Speaks unclearly
- Loses skills he once had

Tell your child's doctor or nurse if you notice any of these signs of possible developmental delay for this age, and talk with someone in your community who is familiar with services for young children in your area, such as your local public school. For more information, go to www.cdc.gov/concerned or call 1-800-CDC-INFO (1-800-232-4636).

Help Your Child Learn and Grow

What You Can Do for Your 4-Year-Old:

Play make-believe with your child. Let her be the ☐ Use words like "first," "second," and "finally" when leader and copy what she is doing. talking about everyday activities. This will help your child learn about sequence of events. Suggest your child pretend play an upcoming event that might make him nervous, like going to preschool ■ Take time to answer your child's "why" questions. If you don't know the answer, say "I don't know," or or staying overnight at a grandparent's house. help your child find the answer in a book, on the ☐ Give your child simple choices whenever you can. Internet, or from another adult. Let your child choose what to wear, play, or eat for a snack. Limit choices to 2 or 3. ☐ When you read with your child, ask him to tell you what happened in the story as you go. During play dates, let your child solve her own problems with friends, but be nearby to help out ☐ Say colors in books, pictures, and things at home. if needed. Count common items, like the number of snack crackers, stairs, or toy trains. Encourage your child to use words, share toys, and take turns playing games of one another's choice. Teach your child to play outdoor games like tag, follow the leader, and duck, duck, goose. Give your child toys to build imagination, like dress-up clothes, kitchen sets, and blocks. Play your child's favorite music and dance with your child. Take turns copying each other's moves. Use good grammar when speaking to your child. Instead of "Mommy wants you to come here," say, "I want you to come here."
