Dear Business Owner,

This letter is to inform you about the Fairdale Fair Community United board's efforts to revive the 2025 Fairdale Fair, a community tradition since 1930.

The Fairdale Fair has been an important event in our community, bringing people together to celebrate and enjoy various activities. It has fostered joy, connection, and community spirit.

After the dissolution of the previous fair board, its remaining funds were donated to charities. Consequently, the new board must organize this year's fair without any initial funding.

We are seeking support from local businesses like yours. Donations will help cover the costs of the fair and ensure that this tradition continues. Your contribution would significantly impact our nonprofit event dedicated to the community.

Fairdale Fair Community United relies on donations and volunteers. We request your support either through financial contributions or volunteer efforts to positively impact our community.

Sponsorship options for tax-deductible donations include event signage in 2025 or your company logo on our T-shirts among other options listed below. Any contribution amount is appreciated. Also, as stated above we need volunteers, especially those with specialized skills.

With sincere gratitude,

Jessica Keeney - Secretary, Fairdale Fair Community United Inc.
