Mike H. For our March Meeting

Both received a Gift Card/Certificate. We appreciate all you do for our fair board but most of all we appreciate what you do for the community as well.

We want to take a moment and recognize a special moment that occurred before our meeting:

It is with great respect and admiration that I wish to acknowledge your invaluable contributions to Fairdale. Your dedication and commitment to the community as a Fairdale Fair board member have significantly impacted on the lives of many. Your efforts in working tirelessly for the school have not gone unnoticed, and the legacy you have built will be cherished for years to come. In recognition of your unwavering support and the positive changes you brought about, an anonymous donation of \$100 has been made in the memory of Thelma "Jean" Elzy. This contribution serves not only as a testament to your influence but also as a lasting reminder of the positive spirit you embodied throughout your service to Fairdale.

Community Questions/Answers:

Zena asks “Do we have a theme yet”

Jay replied: June Meeting we will have a Theme and Grand Marshall for the fair. We have numerous suggestions, and we appreciate and value each one. This will be a community vote.

“Who’s going to narrate it”

Jay answered: The DJ that’s doing the Thursday Night Karoke will most likely be doing it.

Zena asks, “How many nominations do we have for the Grand Marshall?”

Jay replied “We had an overwhelming response of more than 50 but narrowed it down to 6 because a lot of them were past Grand Marshalls.

Lesli asks, “Do we have a plan for the community cookout yet.’

Jay answered, "We originally had planned for May 16 but due to the severe weather for our area it was best to cancel for the safety of everyone. But we will look for a date in June.

Jeremy mention can we utilize the playtorium space for the cookout and ask the Blair’s for assistance with a cornhole tournament at Fairdale pizza for community involvement. Lesli suggested to reach out to Brad Thompson President of the Fairdale Youth League and Fairdale Lions Club for the support and help as well for space etc. The community stands behind and supports this fundraising cookout.

James mentioned to contact 103.1 Keith Kyser to come out promote the fair and get some radio time, just to spread the word.

Jeremy A. mentioned that the parts for the electrical panel came in and they are working on getting that fixed.
