Praise be to our Father in heaven who loves

us and keeps us according to His grace and mercy upon our lives. He has brought us from the difficulties of the year 2024 and we have arrived into a brand New year all because of His great mercy upon each and everyone of us. His Word remains faithful that his mercy endures forever, and even when we are not faithful, He remains faithful He cannot deny Himself. Our God is the God of His Word. He is not a man that He should lie, the grass wither and the flower fades but the Word of the Lord remains forever. We are entering the beginning of 2025, and knowing that we are living in the last days, we need to continue to be doers of God's Word instead of just hearers and deceive ourselves. God loves us and His grace is sufficient for us all, so keep on keeping on, if you feel like your fire for God is dimming, then fan it back into flame, the Word of God that is empowered by His Spirit is able to sustain and strengthen us in times of need. Thank you all for your commitment and service to God and His people. Never grow weary in doing good for in due season, you will reap your harvest if you do not give up. Don't forget our 21 days fasting and prayer, pray for repentance, revivals and restoration in this nation, and the world. Also pray for the church to remain faithful and strong in the Lord. Blessed year of 2025. Love you all
