**Praise be to God forever for His**

**goodness and mercy over our lives forever. It has not been an easy Journey, most times we go through hurdles and waiting periods, but the greatest thing about the Journey is that God is building and molding us through all that we go through in life to prepare us for our destiny. We thank you for trusting in God and fighting a good fight of faith continuously. We would like to thank you all our partners in the ministry for trusting in God and trusting in our leadership as we journey together in such a time as this. We appreciate all of you who are supporting our ministry in all that we do. Our prayer is that the Lord reward each and everyone of you for your faithfulness in serving Him daily. We have come upon the month of November 2018, another month to witness the power and the goodness of our God, be encouraged, be strong in the Lord and the power of his might, take claim of what God has promised for you and your family. Do not allow the enemy to lie to you about anything, Let your light shine, if you feel discouraged, do not worry, it is normal especially when you are so close**

**to your breakthrough. Let us come together in Thanksgiving unto the Lord this month for He is a great God, no matter how hard it has been, He is still good to us.**
