To God be the Glory forever and ever for His unfailing love and divine healing,

protection and guidance upon all of our lives, as we continue our journey of faith in the world today. We are honored to serve God together with all of you saints of God. He has brought us from afar; 2004 is coming to an end, we will never see 2004 again. We have learned, we have been taught, we have been strengthened by His Word and in spite of the reality of life and challenges that we faced along the way, we are still here and still moving forward trusting in the guidance of the Holy Spirit and the Word of God that says, in Phil 1:6, "being confident of this very thing, that He who has begun a good work in you, will complete it until the day of Jesus Christ", so therefore brethren, we should not lose heart, we do not give up or be dismayed, for our Lord is with us and will always be; He will never leave nor forsake His children. We just want to thank each and everyone of you for your support and service to our God. Keep up the good work and may we enjoy this Christmas and welcome the new year by the grace of God. Love you all.
