Praise God for another month of glory and blessings from the Lord. We praise God for bringing us safely to the 8th month of this year 2019; though that many times we are challenged along the way, but our Father is a faithful God that He continues to carry us to and through any situations that we encounter along the way. We would like to thank you all for your faithfulness and patience as you continue to serve God together with us, I know that there are many times that we feel like giving up and throwing in the towel, but you continue to trust in God and move beyond any obstacles in your way so we applaud you and thank God for you daily. Thank you for your financial support especially all of our tithers and our faith pledgers who are helping us raise funds for our building. Some of us are not giving right now but I encourage you to be a part of what we are doing, this money is not for the Pastor or anyone else but for our building. I urge you to trust and believe in God's Word for your house and your family. Let us get back to doing our first works when we first fell in love with the Lord. The Church is God's work that we have been train to be a part of, so I encourage you if you are part of the Living Water Pentecostal Church, please do your part as a giver so the load will be lighter for all of us as we work together. May God Bless each and everyone of you in Jesus name. Please be reminded that this month we are leaving on the 15th of Aug for Denver Colorado for our Youth Revival, we will be back on the 19th of Aug. Whoever is staying behind, you will still have a Sunday Service and a prayer meeting nothing is cancelled. God Bless you all.
