

LIVING WATER PENTECOSTAL CHURCH

FEBRUARY 2020

(Theme) – “Enlarge your vision”

(Note: See beyond the natural, See beyond Self and difficulties”) Isaiah 54:1-5.

1. We will be exploring Joshua chapter 1 to chapter 3 this month and probably next month. Please read from chapter 1 and see what God says to you through those chapters.
2. It is the desire and the heart of God that His church not only grow in the spirit but grow in strength so the devil will know that God rules the universe. We are called to be fruitful and multiply, God gave us the dominion and the power to be His representative on earth, so therefore we must represent Him well. We need to grow in the spirit and do great things for the kingdom.
3. We will be facing hardships and tough times, but we must hold on to His word for our God is still faithful.

Praise God for His faithfulness in our lives as we continue to journey together with Him this year. February is here already; days and times are passing by so quickly before our very own eyes and it encourages me even more to continue to be humble and serve our Heavenly Father as He continues to strengthens us as we live on earth and proclaim the gospel of Jesus Christ. We want to thank you all for your support and help in all that we do as a ministry. Our journey of service unto God are always challenged and sometimes we are not able to handle the challenges, but we encourage you this year, if Paul can say with the utmost certainty that He can do all things through Christ who strengthens him, then we can do it to; because the same Christ that was in Paul is the same Christ that is in us.

This year, let it be a year of revival in your heart and life daily, God is the author and the finisher of your faith, if God started something in your life, then trust Him that He will take you to the finish line, just be patient and do your part and everything will fall in place. Have a blessed month of Feb 2020.
