Praise be the God and the Father of our Lord Jesus Christ, the Father of

compassion and the God of all comfort, who comforts us in all our tribulation, so that we may be able to comfort those who are in any trouble, with the comfort we ourselves receive from God. We are Gods children and we will continue as His children to trust His plans for our lives in spite of obstacles and trials along the way, we will continue to put on the full armor of God and fight the good fight of faith, for we can do all things through Christ who strengthens us, the Author and Perfecter of our faith. We have arrived to the month of February the second month of this year 2022, it was not by our might nor our strength, but the faithfulness of our God, so let us continue to rejoice and be thankful, for God knows His plan for all of our lives. Be strong and courageous, do not look to the right or to the left, but keep your eyes on Jesus, (The Word), for He will take us to the finish line (destiny). Do not grow weary in doing good, for in due season, we will reap our harvest if we do not give up. Have a blessed month of February.
