Happy New Year Family of God! Praise be to God always for His Mercy endures

forever. We have arrived to the first month of this year 2024 and God has been so good to all of us. Though that we walked through the valley of the shadow of death sometimes in 2023 but He has never let go of our hands, He has watched over His word to perform. He led us out of troubles and led us besides still waters for His Name sake. He made us to lie down in green pastures. He has delivered us form the snare of the fowler and from the perilous pestilence. He covered us with His feathers and protected us under His wings. His truth always is our shield and buckler. We are not afraid of the terror by night and the arrow that flies by day. Discovering the truth of God and His Word should keep us fired up for Him on this arriving year. We want to thank each and everyone of you, for your commitment and service unto God through this ministry, May you continue to grow and climb new heights in the Lord and His blessings as you continue to be faithful in your calling and service to Him. **We will have a 10 days fasting and prayers to kick off this year, let us all do it together and be in one accord.** May you all enjoy a prosperous and a blessed 2024 year. Love you all.
