Praise God for the Victory in Christ Jesus that we continue to move from glory to glory, day to day, month to month only because of what our Lord Jesus had accomplished on the cross and the grave two thousand years ago. The bible tells us that greater is He that is in us than he that is in the world. We have arrived once again to another month of victory even though we face difficulties daily, but it is nothing new for we know by what Jesus said in John 6:33; that in this world we will face tribulation, but be of good cheer for He had overcome the world.

We continue to thank you all for your faith in God and your faith in our ministry, your continuous support in all areas is so very important to us for we could not have done anything including preaching the gospel in and through this ministry without your support. Thank you for loving God and knowing who you are in Him that in spite of the challenges we all face in life; you continue to be strong in the Lord and the power of His might. That is trusting God. We are living in the last days according to the word of God; many prophecies had been fulfilled and others are being fulfilled in our days, so if there is a time to be strong in the Lord it is now. We need to be about our Fathers business and that is to proclaim that the kingdom is here. Blessings...
