Blessed be God and the Father our Lord Jesus Christ, for His Mercy and showering us with His loving kindness, each and every day as we continue to live our lives according to His Word. We are blessed to have a Father that is faithful to His Word and actions toward us. We have dealt and still go through difficulties of life, but He never leaves us nor forsakes us. He is the Father that will never lie to His children. He continues to strengthen us and guides us in our journey of faith on earth today. God is always faithful, we just have to trust in Him and acknowledge Him in all our ways. We also want to say thank you for your trust in God and our leadership here in our ministry, to God be the glory, we are not the best knife in the drawer but God has chosen us together for such a time as this to serve Him through this ministry. May God's blessing continue to overshadow and overflow in your lives as we continue to trust Him and hold on to the faith. Keep growing, keep doing good, and keep loving one another with the love that only God can supply. Love you all and have a blessed month of July.
