Praise God for His faithfulness which brought us safely from the month of May to this month of June as we progress in His work here on earth. We can never thank God enough for His guidance, peace and joy that keeps us moving forward instead of looking back at our failures and give up. Thank you all for continuing to walk this journey of faith together with us, thank you for trusting in the leadership of our God through us. In this long journey, we learn along the way, God teaches us new things along the way and we just got to trust in Him. May you be strengthened by His might and may you have the boldness of David and the wisdom of Solomon and may you have the riches of Gods knowledge and Word. Love you all.
