Praise God for another month of the year that He has added into all of our lives May 2022, it is a privilege and a blessing to serve Him at such a time as this and we are proud to be called servant of the Most High God. To all of God's children in our ministry, we praise God for all of you; it is an honor and a privilege to serve God together with all of you. May you be strong and courageous, our journey is still ahead, and the battle is not over, it is a fight of faith everyday as long as we are on earth. Keep your head up, our God is still traveling with us along the way, don't be dismayed, or be distracted, the Lord is at hand. Let us enjoy this mothers month as we celebrate mother's day together. Honor the mothers and do something nice for them. God bless you all.
