Praise God for another month of blessings the month of September 2019, The Lord is so good to us that He continues to safeguard our lives from every situation that life challenges us with. We thank God for the power of His Word and fulfilling that Word over our lives daily that no matter what life brings, we are more than conquerors through Christ who dwells in all of us. We would like to thank each and everyone of our members for your faith and faithfulness to our call together as the Body of Christ here in LWPC, we have conquered many obstacles together, we have struggle and strive together, no matter what challenges us we continue to stand together and fight the good fight of faith. I know you may be challenged sometimes to throw in the towel and give up, you are not alone, we all go through the same challenges, but thanks be to God who gives us victory through our Lord Jesus Christ. Thank you for your support and help during our mission’s fund raisings, it was successful only because we stood together with God and support the mission. Thank you for your financial support for our ministry, as we look forward and believing for a church building for our ministry, we have set up a building fund offering every month of \$219.00 for this year, we will continue on with our pledge offering as we are looking at the same time for a suitable building for our ministry, we believe that God already has a building with our names on it but He is waiting for us. Let us keep on keeping on with the work of the Lord. We love you all, Have a blessed month of September.
