Praise be to God for adding another

month to our walk of faith as we continue to walk by faith and not by sight in this world as His own dear children. We know that the Lord is faithful and His mercy endures forever and new every day for all of us. We are blessed to be called the children of God and we are privileged to have given the opportunity to do His will and to serve Him. I want you to always remember no matter what life brings or attack us with; the Lord has already given us the power and the authority to overcome any situation that we face. Apostle Paul puts it this way, "I can do all things through Christ who strengthens me". The same grace (Power) that Paul received from God; is the same grace (Power) that you have now working for you. Please remember that we honor all
