Praise God for this month of November

2024, it is the month that the whole nation of America celebrate Thanksgiving! As Gods children and believers in Jesus Christ we are thankful and grateful everyday for salvation, provisions, and blessings from our heavenly Father. He is our Shepherd, our Helper, our Healer, our Supplier of all of our needs according to His riches and glory in Christ Jesus. We praise God for all of you our brothers and sisters in the Lord for trusting in God and serving God together with us. Many times we face trials and challenges of life but we always overcome it because of Jesus Christ our Lord and Champion. Keep going forward, keep your eyes on Jesus, guard your hearts against evil, put on the full armor of God, pray always, do not be conform to the pattern of this world any more but be transformed instead by the renewing of your mind, then keep your mind set on the things above and keep it there. Love you all.
