To God be the Glory forever for His unfailing love for all of us. He continues to manifest His love towards us every single day from the rise of the sun or the dawn of the day to the end of everyday, Guiding and leading us, as well as keeping us from all harms and dangers that could endanger our lives. We ought to thank Him continuously and serve Him wholeheartedly. He is faithful throughout all generations, though that we may face hard times and trying times, but His love never fails, He is always with us. David said "though that I walk through the valley of the shadow of death, I fear no evil, for You are with me" the same applies to all of us His children. Praise God for you always, keep on keeping on, God is not unjust to forget your work and labor of love you have shown toward his name. Heb 6:10. Have a blessed month of October. Love you all.
