Praise God Almighty our Father and Savior of our lives who continuously provides, supplies, guides, leads, and protect our lives from harm and diseases. He is our Master, Lord, and

Shepherd who never fails us, even when we are unfaithful, He is always faithful. We have come to the 7th month of this year 2026, and we just need to praise Him for life itself and the strength that He supplies every single day. We are able to serve because of His goodness. We are able to be a blessing because of His faithfulness. This month of July 2026, we continue to dive deeper into His Word, it is the only tool and fuel for our survival in this world. The Church is built to be strong not weak, it is built not by the words of men but the Word of God. The Devil doesn't fear the words of men but he is terrified by the Word of God. Jesus in the wilderness battle the devil using the Word of God, so if the savior of mankind utilizes the Word of God for battle, then why is the church so weak today and being mediocre? Why is the church afraid of what we are facing daily? why is the church afraid to tell the truth in love? We are in the world but not of the world, we are not supposed to be liked by the world, Jesus said the world will hate us because of Him, so therefore, be bold in your faith. Face each trial with grace, humility and boldness. Love you all!!!
