Praise God for another month of the year added to our lives, as we continue to serve and honor our God on earth. We thank God always for the

strength and His power working in us and through us, which enables us to do what He has called us to do for His glory. Thank you for your service unto the Lord, God sees everything that we do and He will reward us according to our deeds. May you continue to be faithful, be steadfast and immovable. We are living in the time of the fulfillment of God's Word, where there are a lot of challenges that we face as Christians in this world, many will abandon the faith according to the Word of God, many hearts will grow cold, but as for us, may we continue to trust in God and His divine protection over all of us. This month we are celebrating the Mothers Day, Mothers are strong pillars to our journey of faith, let us celebrate them and give God the honor for all of our mothers. Children, do something special for your mother. Have a blessed month of May 2025.
