We want to say thank you once again from the bottom of our hearts, for your prayers and support not only for our family, but all the families of the church. We just came back from our Mission trip where we saw the hand of God moved in a way that words cannot explain, many loss souls were found and saved because of the simple preaching of the gospel of Jesus Christ.

Many reconnected in their relationships not only towards each other but with God. A brand New branch of the Body of Christ was launched and only because of the will of God and your support, prayerfully and financially.
