“Celebrating Over 20 Years of Ministry!”

April/May 2024

This Month Focusing on International Activities

ICWMI may have started in rural Manitoba Canada but our God really paved the way for His work in many other countries. This newsletter will highlight our international ventures.

Where It All Began

Prayer! Dear LORD extend your boundaries. And extend he did!

It is only through prayer and personal relationship first with the Father through his Son and then with each other, that ICWMI's activities have been blessed in Canada and abroad.

Some personal relationships like our Executive Director's and ICWMI's Director in East Africa go back to the mid 1980's! Other Canadian staff work with their Christ-centered connections from their original home countries. Still others, connected through our official website www.icwmi.org.

Here are some highlights over the past 20 years.
