

# 2020 ARIZONA CHALLENGE

## Maricopa, AZ

15 years ago, we developed a program that we were convinced would benefit our members, our sponsors, our producers, the Wrangler Team Roping Championships and the sport of team roping. Fast Back seen that same vision and we have had a partnership ever since. It's simple; you win the Fast Back roping and your using a Fast Back rope, you will get a lot more to add to your rope bag! In addition to that program, we now have the Fast Back Tour Challenge. A race where anyone using a Fast Back rope in a Fast Back roping, will receive points for Awesome year-end awards. It doesn't cost you anything to be involved in this race - the only requirement is you need to be using a Fast Back Rope but why wouldn't you? Fast Back Ropes are by far one of the superior ropes on the market today.
