New Business: (Continued)

Doug Sutherland County Surveyor Butte County first time attendee. Dave Woolley, D. Woolley & Associates, said City of Thousand Oaks is requiring Party Chief and Chainman to have their LSIT. Same with the City of Long Beach. New licenses for land surveyors has dropped in recent years while the licenses for engineers has increased. One way to protect our licenses is to require all members of a field crew to have their LSIT. Dave also said the next CLSA Legislative Committee is in a couple weeks. It is open to everyone. Still watching the new bill to send map redlines to the surveyor of record instead of the company that submitted the map. Dave suggested we remove surveyors from Project Labor Agreements. These agreements are for laborers which surveyors are not. David Bush added on April 14, 2026 ACEC is having a Professional Surveyors Roundtable meeting. It is a virtual meeting. See the ACEC website for details.

- VII. Announcements: May 21, 2026 Geospatial Symposium
- VIII. Call to Adjourn: Meeting adjourned at 10:10am by Taleah Quemada.
