V. Old Business: None

VI. New Business: We are looking for speakers for Geosymposium in May. Please email suggestions to the Chair or Vice Chair. Kim Holtz says we need to vote on the new League name, The League of California Surveying Organizations for Public Agencies. Kim moved to make the name change, 2<sup>nd</sup> by Dana Robie. Dana asked why “public agencies” addition to the name? Kim said we need to change the name because we are going to a non-profit and to get a new Tax Identification Number we need a new name. Motion passed. Application will be forwarded to the government for approval. Dave Woolley says most agencies do not have their own surveyors. Contractors are lowest bid. Contractors are doing their own surveying work. Dave has written new specifications for Long Beach to allow contractors to do a little surveying but with approval of a project surveyor. Dave pushes for LSIT’s for all surveying personnel. Dave reminds us that he is pushing for “Buy California” to keep tax money from jobs in California.

VII. Announcements: Next meeting February 12, 2026. End of January Greg Helmer is retired. He is still with CSRC. Susan Ruiz, Orange County, adds that Lily Sandberg is the new County Surveyor for Orange County.

VIII. Call to Adjourn: Meeting adjourned at 10:47am by Taleah Quemada.
