### **Have you ever found yourself struggling to source products in larger volumes for your business?**

You're not alone! Many businesses face the challenge of finding reliable suppliers and manufacturers without getting lost in a sea of options. Here's a little insider tip: focus on establishing a direct connection with manufacturers for the products that you move large volumes of. This approach not only saves you money but also gives you more control over the supply chain, quality, and customization of your orders.

At MayKo, we've seen firsthand how a direct line to trusted manufacturers in China can be a game-changer. By partnering with us, you're not just gaining a supplier; you're accessing a wealth of experience and access to hard-to-find products. We understand the struggles of navigating the sourcing process and want to make it easier for you!

Imagine confidently presenting your products to your customers, knowing they were sourced with ease, providing a healthy margin for your business.

So, if you ever feel overwhelmed, remember this: you shouldn't have to struggle with sourcing. Contact Mose at 866.432.2385 ext. 2 or email at: [mose@maykoproducts.com](mailto:mose@maykoproducts.com) to let him guide you through the process.
