What is the **Total Teamwork Program**?

The Total Teamwork Program is a development process that consists of "in person" private training (12-24 people) covering (6) six business/people disciplines, conducted monthly for (3) three hours followed by optional one-on-one coaching.

Where are the sessions?

Sessions are synchronized monthly at locations chosen by clients. Locations must be approved by Creating Leaders for acceptability for client learning exercises, logistics and environment.

How long are the sessions?

Training sessions are 3 hours. The best, mutually acceptable time for participants is scheduled.

What critical business topics are discussed?

The 6 monthly topics include: Teamwork, Communication, Difficult Situations, Time Management, Customer Service, and Understanding Yourself.

** Session learning objectives are available. **

Who is this training for?

This training is designed to help individual contributors improve their business and people skill sets to grow their productivity, perspective, and job satisfaction.

What if I just want coaching?

Coaching Packages are available for executive, leadership, sales, career, business, and entrepreneurship focus areas with assessments.

Does this program qualify for Continuing Education?

The **Total Teamwork** Program may be applicable as a source for 18 hours of CE. Please verify with your governing body for approval first.

Why does this training work?

Participants learn only one competency per month and then have 30 days to implement plans before returning to learn a new competency. All participants leave training with a Creating Leaders Action Plan (CLAP). Between sessions they schedule an optional 30-minute one-on-one, confidential coaching session to customize their action plan, gather greater insight and drive results.

What are the credentials of the trainer/coach?

All interactions include the founder and creator of the Total Teamwork Program, a C-Level Leader with the knowledge and experience to train practical solutions to difficult business issues. An International Coaching Federation Professional Certified Coach with global, financial, operational, sales and marketing expertise.

When are coaching hours?

Monday-Friday 7:00am-6:00pm Saturday-Sunday 11:00am-4:00pm

How many people should I send and how much does it cost?

Companies can send as few as twelve or as many participants as needed to designated locations. The cost is \$100 per hour. 3 Hours Training + 30 Minutes Coaching = \$350 per month for six months plus a \$300 manual/materials fee.

Backed by a 100% ROI Guarantee when combined with coaching!

When can a company start the program?

Participants can start any month and finish twelve months later. If a session is missed, they can choose another location or make-up session the following year.

Is there an advanced program for graduates?

The **Total Teamwork** program may offer an opportunity to participate in an additional 6-session program with different topics to extend learning in the future.

How do I schedule coaching or contact my facilitator?
