1. **STRONGLY RECOMMENDED** DO NOT take your pup to public places and allow to be on the ground until all routine vaccines have been given, usually around 4 mo of age. I can't guarantee against Parvo contamination and is **YOUR** responsibility to protect your pup. The pup is being sold with up to date shot records and internal parasite prevention. Internal & External prevention **MUST** be continued routinely. X\_\_\_\_\_
2. The Seller guarantees this puppy to be healthy at the time of sale. Buyer should take puppy to personal vet within 72 hours of sale to validate condition. If any life threatening illness is identified by a licensed vet within 72 hours the puppy is required to be returned to seller. A replacement puppy of EQUAL price value will be given at next availability. Although preventive measures are part of routine care the Seller cannot guarantee against Coccidia, Giardia or internal parasites. X\_\_\_\_\_
3. The Seller warranties this puppy against any official veterinary diagnosed congenital or hereditary disease for 1 year. Hips are extended to 2 year warranty upon official OFA diagnosis of hip dysplasia. In cases of HD the dog must be an official 2 years old or at the discretion of seller based on x-rays after 1 year. Borderline is not covered. Epilepsy is extended for up to 3 years. This puppy is warranted for working ability, pup should show interest in stock by 14 mo of age. The working warranty is under terms of proper handling of pup to prevent injury or early exposure to inappropriate stock for its age including that of accidental exposure. Seller can't guarantee level of confidence or bite or ability in working methods. The seller agrees to replace the puppy with that of equal purchase price value at next opportunity on these circumstances. Return of original dog is required or spay/neuter after a neutral party observes the dog on stock regarding work. Seller does NOT guarantee the pup will work CATTLE . X\_\_\_\_\_
4. There are many factors involved in raising your puppy to increase odds of a healthy life including but not limited to diet, exercise, environmental exposures, & preventive medical care including routine vaccinations. The BUYER understands that SELLER can't warranty against ALL possible health issues and is limited to those described above. The SELLER is NOT responsible at any time for vet costs and only offers a replacement puppy on listed circumstances. Warranty EXCLUDES COVERAGE on but not limited to : retained testicles, hernias, EAOD, reproductive abilities in males or females, allergies, cancers, PRA, glaucoma, BCC, joint dysplasia , diabetes, or any other illness or disease. 5. Seller agrees to offer a LIFETIME return policy if for ANY reason you cannot keep your dog. This is NOT a refund policy, only a return option. In case of return all health records & registration must accompany the dog. X\_\_\_\_\_
6. Seller does not guarantee final weight, coat length, color or any other physical trait or temperament nor does seller imply further warranties other than those described. X\_\_\_\_\_
7. This puppy will not be affected by current testable hereditary diseases based on parental health testing with option on Pawprints Genetics. (Border Collies). Recessive carriers may exist within this litter and are in NO way considered a defect. It is BUYERS responsibility to test their dog prior to any future breeding plans. . X\_\_\_\_\_
8. ANY and ALL shipping costs & related expenses for delivery or return are sole responsibility of buyer. X\_\_\_\_\_

I strive to breed healthy dogs with healthy lines that are proven for working abilities. I breed for WORK, HEALTH, and TEMPERAMENT- the temperament of a weaning puppy cannot always be predicted, there is no guarantee that he/she will be a perfect match in temperament or working skill for the buyer and is therefore released of any lifetime obligation should you feel another home is better suited for your pup. This pup is sold without restrictions on breeding rights unless otherwise stated. We encourage future communications with us should any unforeseen issues arise.
