

# JONATHAN'S RHYTHM COLLECTIVE

Rhythm that changes the room  
Serving Beaver County and surrounding regions

**Mission:** Jonathan's Rhythm Collective brings joy to people through the power of rhythm and live drumming.

**Vision:** A world where rhythm heals and connects people.

**What to Book:** Jonathan delivers live drumming experiences that shift group energy within minutes and establish full participation through rhythm.

- Live drumming for events, stages, and curated spaces
- Facilitated sessions within wellness, studio, and workshop environments
- Interactive rhythm experiences for youth groups, corporate teams, and community gatherings

**Drumming Experiences:** Each offering is structured to create active participation and a clear emotional shift within the group.

- Stage performances built for audience response
- Small-group rhythm circles that create shared momentum
- Facilitated sessions embedded within structured programming for wellness, youth, and corporate environments

**Clients:** Jonathan's Rhythm Collective works within environments that require active engagement.

- Music venues and performance-driven spaces
- Wellness studios and structured programs
- Youth groups, schools, and community organizations
- Corporate teams, leadership groups, and company events
- Community gatherings and established drumming circles

**Jonathan's Experience:** Eight years delivering live rhythm experiences across community, academic, and professional environments. His work includes live performance, facilitated group sessions, and integration within structured wellness programming, including sound bath experiences.
