Chief Prosperity Officer, My True Prosperity, LLC bill@mytrueprosperity.com

Helping young people, practitioners, and communities think for themselves, work responsibly, and move from subsistence toward prosperity.

ABOUT

Bill Mills is the Chief Prosperity Officer of My True Prosperity, LLC and founder of Bright Minds. He builds programs, platforms, and convenings at the intersection of workforce readiness, financial capability, youth leadership, practical technology, and community prosperity. Bill previously led Florida Prosperity Partnership and has presented, trained, and facilitated across Florida and throughout the country.

"Workforce readiness is not just what a young person knows. It is who they are becoming."
