June 15, 2019

There are four seats up for re-election this year.

Please vote for up to four from the following candidates.

Herb Pierce, Mary McPherson, Allen Sayles, Dave Powell, Bo Bruner

The Buoy and Pier Survey showed a significant demand for both buoys and a community pier. Attached is an additional survey based upon research done by board members Dave, Carole and Herb, as to the costs associated.

Gary, our Buoy/Pier Consultant, spoke with TRPA today and states we have one shot at a pier with all 4 street end parcels, as a multiple parcel application. This will be our single best shot at the lottery for Pier permits. Piers are taking a priority this year. There will be no action on buoy enforcement until next year.

Summer Party has been scheduled for August 10th, at the Turner home. August 11th will be the annual General Meeting, location to be determined.

Look forward to seeing you for both events. Have a Great Summer at the Lake.

Allen Sayles, President HHOA
