Capabilities Narrative

Select Solutions is a procurement-focused small business providing supplies and operational support services designed to meet fast, repeatable, and low-barrier government purchasing needs. Operating as a DBA of Kingdom Living Estates LLC, Select Solutions supports federal, state, and local agencies through simplified acquisitions, micro-purchases, and purchase card transactions.

The company specializes in the sourcing, distribution, and delivery of office supplies, janitorial and cleaning products, paper goods, packaging materials, linen items, and general facility consumables. Select Solutions also provides complementary support services including facilities support, office administrative services, packaging and labeling, janitorial services, linen supply, and local delivery support.

Select Solutions is structured to support agencies requiring reliable fulfillment, responsive service, and compliance-ready operations. The company emphasizes flexibility, scalability, and efficient order fulfillment and is positioned to support repeat purchasing needs as a prime contractor or subcontractor.
