# How To Repair a Ball Mark

A few extra seconds is all it takes to keep the putting greens looking and playing their best.

## CHOOSE WISELY

A ball mark repair tool is recommended, but other pointed devices can be used.

## PUSH DON'T PRY

Starting from the back and sides, gently push & stretch the turf to the center of the mark.

## WORK AROUND

Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly.

## FINAL TOUCH

Use your putter to lightly tap down the mark. Fix other marks in addition to yours.

## **LWMGC FLIGHT CUP SERIES**

The Flight Cup Series is a yearlong series of 7 flighted events using Individual Stroke Play - Stableford Point Scoring System is used to determine order of finish, culminating into a 2-round playoff to determine the Cup Championship.

The participants' handicap for the series will be established by using their White Tee LWMGC Course 1 & 2 USGA/GHIN index carrying it forward to the event culmination. Once assigned to a flight each member will remain in that flight throughout the LWMGC Flight Cup Series season.

A member's Index is used to place a player in a flight as follows:

Nicklaus Flight: Index 0 to 15.9 - play from White tees.

Woods Flight: Index 16.0 to 21.8 - play from White tees.

Hogan Flight: Index 21.9 to 54.0 - play from Green tees.

### **Qualifying Rounds**

Seeding for the Championship Rounds will be determined by the total Stableford Points accumulated by each player's 4 Best Flight Rounds. Players may play in more than the minimum Flight Cup Competitions required, however, only

their 4 best flight rounds will be used to determine their place in the standings.

**Championship Format:**

The format is individual Stroke Play. The Stableford Point scoring point system will be used to determine the order of finish. Total Stableford Points for both Championship Rounds (36 Hole) will determine the winner of each Flight. The USA Stableford Tie Breaker will be in effect.

All qualified participants will have their score zeroed with the following exceptions. The highest point player in each Flight will retain 5 Stableford points, the second will retain 4, third will retain 3, fourth will retain 2 and fifth will retain 1.

## Memorial Tournament

The Memorial Tournament started in 2007 as the “Curt Teal Memorial Tournament” after one of our Club Champions who had died the year before. The tournament would honor Curt, as well as all the Club’s departed members. The choice of the Foundation of Laguna Woods Village to be the beneficiary of the event was at Curt's widow's request since it had been his favorite charity. It was for the event to use his name for one year, there-after to be the Memorial Tournament. The event was held for four years (2007-2010) and then, after a two-year hiatus, the Memorial Tournament returned to the annual rotation of special events and is now sponsored by the LWMGC and Laguna Woods Village. It has become the Club’s premier annual event and its major fundraiser. It is held in May and is open to the entire community as well as friends and relatives. This annual tournament is testimony that the golfing community can be counted on to help our Village neighbors, and we believe the amount of our annual donations to the Foundation reflects that commitment.

The Memorial was not held in 2020 or 2021 due to COVID restrictions. However, the club was still able to support The Foundation of Laguna Woods Village by presenting a check for \$5,250 and \$2,500 in those respective years from club funds and member donations.

# Volunteer Appreciation

**Thanks  
to Our  
Volunteers!**

This Annual Volunteer Appreciation Luncheon is the Club's way of recognizing the many volunteers that assist our Board of Directors throughout the year. These individuals provide much needed support for the various events that our club has throughout the year, including our annual Memorial Golf Tournament and Fundraising event in support of The Foundation of Laguna Woods Village.

Volunteers coordinate intra club golf tournaments; tournament check-in; event staging; artwork design; and sponsorship support. Their ongoing work is greatly appreciated and valued.

## Member-Guest Tournament

The annual LWMGC Member-Guest tournament is a Saturday event scheduled in mid-August and is our Club's opportunity to showcase our outstanding golfing facilities to our non-Club member golfing partners. This full-day shotgun start event includes putting contests, great tee prizes, raffle prizes and an awards banquet.

# The Par 3 Tournament

The Par 3 Tournament is held at the Par 3, 9-hole Course, 24251 Paseo del Lago E., the 3rd Thursday of every month with an 11:00AM shotgun start.

An award ceremony and catered luncheon is held at the Par 3 Course patio immediately following the event.

The Par 3 Tournament awards prizes.

All members that are in good standing with established handicaps are eligible to participate.

Registration is open monthly online at [LWMGC.org](http://LWMGC.org) – Par 3 Tournament.

Please contact Rick Renna at [Renna5@aol.com](mailto:Renna5@aol.com) for more information.

# The Derby

The monthly Derby is one of the most entertaining golf events in the Village. It is an alternate shot format, pairing a low handicap player with a high handicap player on the fourth Thursday of every month, except for the months of November and December.

2023 brought a couple nuances to the format: two-hole cumulative totals before eliminating teams, and mulligans. Of course, should your team tie for the high score, and possible elimination with another team, or teams, a chip off results.

There is an entry fee for this much anticipated monthly event which is open to all Club members in good standing. The event begins with the pairings drawn by the higher handicappers, selecting a low-handicap partner.

The Annual Derby is held on the first Thursday of December, and the prizes are the biggest of the year! The field of 28 players in 2023 ended with Rick Renna and Craig Olson in first place. There was a tie for second between the teams of Mark Greenman and Bill Zulch, and Kevin Kennedy and Bob Pierce.

So, plan ahead and practice that short game in advance and come out and join in the fun at this fabulous monthly event.

Your Derby Czar, Andy Thuney, PGA

## Tuesday Team Scramble

For more than 35 years each Tuesday throughout the year (unless poor weather or major holidays) the Tuesday Team Scramble is held. The game structure is comprised of four player teams that compete to win skins, closest to the pins and team total strokes against other teams.

Players must be Laguna Wood's residents and members of the (LWMGC) Laguna Woods Men's Golf Club with an established GHIN handicap. The Team Scramble Board makes every effort to balance the teams which are comprised of A, B, C & D level players. The teams are selected by using each player's index and then sorted by a computer program to create fair teams that compete evenly.

The deadline for LWMGC members to sign-up is noon Sunday. All players are emailed the team sheet Monday evening and meet Tuesday morning 10:30am at the upper putting green to check-in and pay their Team Captain. The Team Captain (typically the A player) collects each player's entry fee and pays the Game Organizer prior to playing.

The Tuesday Team Scramble game is a great way to compete and meet other members of the Laguna Woods Men's Golf Club. For additional information please email **LWM18skins@gmail.com** or sign up for next week's game at the upper putting green every Tuesday at 10:30am.

## **LWMGC TEAM EVENTS**

These events offer members of LWMGC the opportunity to compete against other men's golf clubs in the immediate Southern California region in a variety of formats. Team events are "limited field" events by their nature and there obviously is not room for every Club member on the team. The LWMGC Board of Directors and the Competitions Committee use the criteria of LWMGC Cup Flight Competitions, Regular Wednesday Play and Major Tournament scores as well as past Team Play performance to narrow down the list of candidates to provide a pool that will give Laguna Woods a competitive mix of players.

The LWMGC Competition Committee also uses these team spots as a way of recognizing and rewarding these individuals for their regular support of our activities and tournaments.

### **Scotch Cup vs Costa Mesa Seniors**

In 2005 the LWMGC began an annual Home and Away series of "Scotch Scoring" matches against the Costa Mesa Seniors Golf Club. The squads are usually made up of eight or nine 2-man teams and the total team points scored in both matches determines the annual winner. The order of the matches rotates each year, and the Scotch Cup is awarded after the final (second) match of the season.

## **Laguna Woods Village Cup**

The Laguna Woods Village Cup has become a staple of the club's playing season. Unlike the Ryder Cup, the Laguna Woods matches would not be limited to United States versus United Kingdom players. ... but would pit 22 Club members born in the USA (Team USA) against an equal roster of 22 Club members who were born outside of the US (Team International). The event would be a way to encourage friendly intra-club competition and give Club members a chance to play 'for their country'. The teams are broken down into 11 two-man teams which play each other head-to-head in three different nine-hole match play style competitions: Alternate Shot – Better Ball – Match Play

## **Silver Seniors Golf League of OC**

2019 was the first year of LWMGC participation in the Silver Seniors Golf League of Orange County. The teams compete with twelve players from each club, paired in six two-man teams playing a 'home and away' match with other teams in the League. Competition is a match play format. The League is divided into two divisions with a playoff at the end of the season to determine the League Champion. While there is competition between the teams, the principal objective of the League is to sponsor good sportsmanship and camaraderie.
