

## **FAIRWAYS AND GREENS FOR MAY 18 WEEK**

Well, our dynamic dozen OC Seniors Team finally met their match in the regional finals versus Alta Vista CC. Yours truly actually learned to play the game at AVCC some 60, yes 60 years ago, so I should have known their twelve-man squad would be a band of golfing stalwarts. But kudos to Captain Coco and his team for fighting the good fight and getting to the finals for the first time ever! And now let the recruiting begin for the 2027 season. I'm sure there will be some heavy negotiations going on to retain the same or similar team and maybe add a few red-hot rookies to the roster.

And on that same day, a feat of no simplicity I might add, we managed to play the Four Man Scramble at a record pace! The automatic, maximum two-putt routine established by chairman Aguilar proved to be a miracle of pace setting promise. It looked like everyone pretty much finished in close to four hours. Will wonders never cease? The winning team of Chang, Cho, Kim and Yeam probably never had to worry about that automatic second putt since their score of 18 under net pretty much tells the story. The rest of the results are of course available on our website. Our next Major is The President's Cup, which is a great match play event. Sign ups are open, so sharpen your strategic, "gotcha" match play tactics and get in the hunt for the trophy.

Putt 'em out, or say, "that's good!"
