

# **7**AIRWAYS AND GREENS

**FOR WEEK OF APRIL 27**

Will the LIV Tour fold up its tents in the next couple of years? Will the big-name players like DeChambeau and Rahm be granted return access to the PGA Tour? Will anything replace the two events in Hawaii? All these problems have arisen recently for the National golf scene, but here at home our Memorial Tournament is sold out! Yea baby! Kudos to the hard-working committee for coming up with some innovative ideas, making it more affordable and beating the bushes for some fabulous contributions from our neighboring businesses and golf courses. So, if you're in, don your Hawaiian attire, practice your hula, in case you win something, and we'll see you then. May 16<sup>th</sup> will be the best ever!

Before we get to the Memorial, don't forget the Four Man Scramble on May 13<sup>th</sup>. It'll be a perfect warm up for the Memorial format and tournament chairman, Ray Aguilar's idea of maximum two putt on each hole should definitely provide a better pace of play....each teammate goes for it once, then pick up and onto the next hole! Kinda wish we always played that way. It would certainly relieve a lot of stress on the greens. And, by the way, I think our grounds crew actually did a better job of aerifying and sanding the greens this year. They bounced back much faster than in previous years. Now, if we could only fix our blankety blank bunkers!
