Flight Cup Series – General Guidelines

The Flight Cup Series is a yearlong series of 7 flighted events using the Stableford Point Scoring System, culminating into a 2-round playoff to determine the Cup Championship.

Flights / Qualifying / Championship

There are 3 Flights based on WHS Index.

Nicklaus:	Indexes 0 – 15.9	White Tees
Woods:	Indexes 16.0 – 21.8	White Tees
Hogan:	Indexes 21.9 – 54.0	Green Tees

All members in good standing with a WHS/SCGA Index are eligible to play in the LWMGC Cup Series. A player's current published index as of the previous Sunday will be used to determine their handicap for that round.

Qualifying Rounds:

Seeding for the Championship Rounds will be determined by the total Stableford Points accumulated by each player's 4 Best Flight Rounds. Players may play in more than the minimum Flight Competitions required, however, only their 4 BEST Flight Rounds will be used to determine their place in the Standings.

Championship Format:

The format is individual Stroke Play. The Stableford Point scoring point system will be used to determine the order of finish. Total Stableford Points for both Championship Rounds (36 Hole) will determine the winner of each Flight. The USGA Stableford Tie Breaker will be in effect.

Flight Schedule: Check the calendar on our website - LWMGC.org

Flight #1	January	Flight #3	March	Flight #6	July
Flight #2	February	Flight #4	May	Flight #7	August
		Flight #5	June		

Cup Championship 2 Days in November
