Key Topics – Jeff Davis: Upon the resignation of VP Ron Kula, Rob Borkowski nominated Ray Aguilar to be appointed the new Vice President. The nomination was seconded by Kennedy & Jones and Ray was elected 9 to 1. The change in office does not affect Mr. Aguilar's remaining years of term. Cory Whittaker was then nominated as a new Director and will serve out Mr. Kula's remaining term. Other Board candidates that have expressed interest in joining the 2027 Board are: Mark Cunningham, Bill Heffernan and Mark Rice. The Board will continue a proactive approach in reaching out to our Korean club members to identify potential Board candidates for 2027.

Secretary - Peter Battin: The minutes from all previous meetings are posted and the calendar is up to date. Peter and Ray will work with Mr. Rossignol on the proper use of our website banner. Peter to notify the attendees of The Memorial that event pictures will be available.

Treasures Report – Rod Borkowski: Current account balance is ~\$68,000 with multiple invoices for the Memorial not yet received. Memorial Event Final net to be announced within ~7-10 days. Test of paying cash directly to Major and FCS winners failed. Future Major & FCS winners will have their accounts credited.

Major Events / Team Scramble / HIO - Ray Aguilar: The new 2-putt rule was successfully implemented in the 4 Man Scramble to speed up the pace of play. Rules, GAG & CAC – Dennis Boudreau: The reinstatement of the 3-cart rule change will be re-visited in September. Tom McCray will implement clearly identified fairway entry and exit points and they will be moved daily to help reduce wear and tear to our course. All Men's Club players will be encouraged to observe this in order to help improve our course condition. **The LW Men's Golf Club will message this to our members each Wednesday from 7:00am to 12:52pm play. The LW Women's Golf Club will also message this to their members each Tuesday.** Golf Course Marshalls/representatives will need to enforce the use of the designated entry and exit points for all other days of the week.

Memorial Event Update: - The Memorial was very successful with more than 125 golfers and 200+ total attendees. The Hawaiian Theme event was well received by the attendees. Tony Hibbard's 19th team did a great job with the Hawaiian buffet and overall service of the event. The total net proceeds for The Foundation of LWV will be reported after all outstanding receipts have been received by our Men's Club Treasurer. Many thanks to John Stevens our Title Sponsor, our great volunteers and other event sponsors that made The Memorial a big success.

Respectfully Submitted,

Peter Battin Secretary
