

FUSION

GLASS WORKS INC.

Where great ideas come together

About us

Welcome to Fusion Glass Works!

Fusion Glass Works Inc. is proud to introduce our finest hand-crafted decorative glass and wrought iron doorlite collection to you, our esteemed customer! This collection showcases some of our greatest pieces of custom-made decorative glass designs. Each decorative glass design is sure to add a sense of style and elegance to a home's entryway, making a lasting and stylish first impression.

The Fusion Glass Works Inc. design team has worked tirelessly to create a wide range of iron arrangements featuring our unique Sandblast Cutout technique. Providing a myriad of classic and modern options, our design team is able to work with clients and offer customized solutions to their wrought iron and glass needs. With over 25 years of experience, Fusion Glass Works Inc. is dedicated to satisfying our loyal clientele. Our design partners are guaranteed to receive the highest standard of craftsmanship and are sure to be impressed by our innovative style and customized approach.

The Fusion Wrought Iron Collections are available in a variety of iron finishes. Select from Gold, Silver, Bronze, or Copper highlights.

WROUGHT IRON COLLECTION

Our “Fusion Wrought Iron Collection” celebrates originality and the splendour of wrought iron. Unique to this collection is our Sandblast Cutout glass backing, reflecting both the beauty of our glass design and the strength of wrought iron. This feature showcases the brilliance of the wrought iron design through both sides of the glass insert.

INTERIOR GLASS OPTIONS

The craftsman wrought iron collection offers a variety of glass backing options on all its wrought iron designs. Choose from either sandblast, clear glass, sandblast cut out, chinchilla, pinhead, oceana, granite, clear baroque and listral.

***Please Note:** Interior glass is supplied by various manufactures, slight variances in texture, and opacity may result. Due to the nature that highlights are applied by hand to each piece of wrought iron, appearance may differ from piece to piece.*

SANDBLAST CUT OUT

Fusion Glass Works offers a truly unique glass backing option on all its decorative wrought iron designs. Our innovative sandblast cut out illustrates the beauty of the wrought iron design through both sides of the glass unit.

FUSION EURO SERIES FRAMES

With its highly contemporary design, the Euro frame bestows your door with a look that is modern, elegant and timeless all at once. Made in Canada with a 2 1/4 inch anodized aluminum extrusion. It also meets Energy Star® guidelines and exceeds industry standards for air and water tightness under CAN/CSA A440-00 (B4).

Colours: Silver, Stainless Steel and White.

Format: Suitable for all door and lateral openings.

Please Note: With the Euro frame being larger than regular frames, the doorlite will be smaller, and the design may be slightly modified.

ANTI-INTRUSION OPTION – Safety laminated glass ANSI Z97.1

Security glass is offered as an option: the glass is tempered and laminated on the outside to protect its integrity against breakage or break-in attempt. Highly recommended with the purchase of a multipoint lock for maximum security.

Note: Textured glass used in the production of our doorlites may contain irregularities in the pattern, small air bubbles and streaks which are an integral part of the product. They are not considered defects.

Door lites supplied by Fusion Glass can be used in doors to meet Energy Star criteria.

Need more performance in your doorlite...
consider **Cardinal LoE-180™**

When the weather turns frigid, Cardinal LoE-180™ glass is the perfect cold remedy. It keeps homes warmer and more comfortable by blocking heat loss to the outside and letting the sun's heat stream in. It extends a warm welcome home while achieving the highest ER values.

Some items are special order. For a complete list of sizes, glass and grid options available in your area, contact your dealer for more information.

INSIDE
BACK
COVER

Fusion Glass Works Inc. products come with a full manufacturers lifetime warranty against seal failure on all insulated door lites. In no event shall Fusion Glass Works Inc. pay for the cost of labour, installation or finishing of either the insulated glass unit or the replacement unit or any other incidental cost related thereto. Fusion Glass Works Inc. makes no other warranty or guarantee either expressed or implied.
