

Day 21 -You Will Never Thirst

December 15, 2019

“Give us water to drink...Then Moses cried out to the Lord, “What am I to do with these people?... The Lord answered Moses... Strike the rock, and water will come out of it for the people to drink.” (Exodus 17:2,4-6)

One day while working an assignment with a mobile medical unit, I became very thirsty. Because of the cold outdoor temperature, heaters were being used to warm the space. Soon the area became increasingly hot which only increased my thirst. It was clear that I would need to go to a store nearby for some water. Shortly after thinking this, there was a knock on my door and one of the other practitioners came to introduce himself. He said, “My name is Moses”. At the end of our brief conversation, I mentioned nonchalantly my plans to go for some water. He responded, “Oh, I have several bottles with me”, and he offered me one of them. I was very happy to say the least. In our scripture above, the children of Israel were distraught because of their extreme thirst in the desert. Moses went to the Lord on their behalf seeking God’s help. God answered saying, “Strike the rock, and water will come out of it for the people to drink.” (Exodus 17:6). Isn’t it great to know that you serve a God that can bring forth water(provision) in the desert and draw it out of a rock (unexpected places). So in your time of questioning and need, you can boldly approach God’s throne of grace and mercy with your petition. Jesus said that God the Father knows what we need before we even ask. So, be encouraged today. He may even send you a Moses.

Prayer: “Lord I thank you today because there is nothing impossible for you. I thank you because you are the God who is able to make a rock produce water. I choose to trust you knowing that you care for me and will meet all my needs.”

Pray for God’s continued guidance, protection, provision and success for Cliffard Whitby (Bibb County 2020 mayoral candidate) and the Whitby2020 campaign team and supporters.

Pray that God would grow and increase this movement and energize individuals to co-labor with us for positive change.
