You have been scheduled for surgery at Sycamore Surgery Center

This information is designed to provide you with knowledge and insight regarding your upcoming surgery. Please read this information thoroughly because it will help answer many of the questions you may have. The following packet informs you about the preparation process, appointments, education, and what to expect before, during, and after your surgery.

Please keep this packet as it will serve as a great guide for you during your joint replacement journey. However, if you do not find the answers here, please feel free to call your surgeon's office.

We have collaborated and combined expertise from several sources to work with you and make this a positive experience. You are the most important person in the process. Active participation and willingness on your part is needed to make recover, and to ensure the best outcome.

Thank you for choosing Sycamore Surgery Center. We look forward to caring for you soon!

Sincerely,

Sycamore Surgery Center Staff
