March 31, 2025

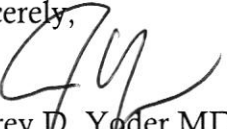

Dear Patients,

I am retiring from practice June 2025. Dr. Aaron LeGrand and Dr. Cody Shafer have generously agreed to see my patients who require continued care. If necessary, please make an appointment to see your orthopedic surgeon of choice.

Dr. Diane Pfeifer will be moving into our current building and your medical records will be kept on site. You are always welcome to request a copy of your records. You will need an authorization form, which we have enclosed for your convenience. Dr. LeGrand and Dr. Shafer also know they can contact me with any questions about your prior orthopedic care.

On behalf of my office staff and myself – we would like to thank you for entrusting us with your orthopedic care for over 25 years.

Sincerely,

Jeffrey D. Yoder MD
