This intriguing and beautiful folk opera delivers a deeply resonant and defiantly hopeful theatrical experience. Following two intertwining love stories – that of young dreamers Orpheus and Eurydice, and that of immortal King Hades and lady Persephone – *Hadestown* invites audiences on a hell-raising journey to the underworld and back. Inspired by traditions of classic American folk music and vintage New Orleans jazz, Mitchell's beguiling sung-through musical pits industry against nature, doubt against faith, and fear against love.

\$450 Tuition includes student script rental, show t-shirt, costume, musical theatre instruction, and production experience. See below for Tuition Policy.
